Office Dock	--	1	1	1	4	1	--	--

i Barcode reader, Serial port+I26, Ethernet, and MicroSD port are mutually exclusive options.

ii All SnapBack add-ons are mutually exclusive options.

iii Available for barcode reader option.

iv 13.56MHz Contactless RFID and Smart Card reader (ISO 15693 and 14443 A/B compliant).

v Battery life testing conducted under MobileMark 2007. Battery performance will vary upon software applications, wireless settings, power management settings, LCD brightness, customized modules and environmental conditions. The battery has a limited number of charge cycles and may eventually need to be replaced by a Getac service provider. Battery life and charge cycles vary by use and settings.

vi Weight varies from configurations and optional accessories.

vii Tested by a national independent third party test lab following MIL-STD-810G.
